

# BEAULIEU ROAD PONY SALE

## THURSDAY 11<sup>th</sup> AUGUST 2011

### 175 Forward

A bigger entry than last year, boosted by the Special Sale of Selected Registered New Forest Ponies and a large crowd in attendance to witness the official opening of the New Saleyard facilities which include mains water, electricity, toilet block and lorry wash.

Trade was, as we thought, quite difficult which made it hard to match the expectations of the vendors of some of the better bred and handled ponies, but we did achieve a top price of 1000 gns for the 3 y.o. bay gelding 'Waltersgay Rocket Man' a strong well bred and well handled pony in the selected section presented by Miss M R Williams. Fortunately most of the male ponies entered were geldings for which there was a bit of demand with colts not really wanted.

In section 4 the Shetlands met a useful trade as usual but coloured ponies were much harder work. An unsold rate of 37% is a fair reflection of how the day went, although some useful prices were achieved. Our thanks go to the New Forest Pony Publicity Group and particularly Sally Marsh for all their hard work in putting together the special selected sale.
