

**BEAULIEU ROAD PONY SALE
WEDNESDAY 24th OCTOBER 2012**

176 Forward Auctioneer Iain Soutar

The biggest entry of the year so far and trade a bit disappointing compared to September, mainly because of the number of colt foals which did not attract the minimum bid and also because of less demand for the older, stronger ponies. However on the bright side there was a fairly decent trade for the registered filly foals which averaged about 20 guineas more than both September and last October and also some of the better bred colt foals with those sold producing a very similar average to the two sales mentioned. Our thanks go to the New Forest Pony Publicity Group for organising the pre-sale Show and to Dawn Vear for judging it.
