

**BEAULIEU ROAD PONY SALE**  
**Thursday 30<sup>th</sup> MAY 2019**

**78 Forward** Auctioneer Iain Soutar

A very good trade throughout with particularly strong prices for the Registered New Forest ponies. As with this sale last year mainly geldings in this section but the few mares were very keenly sought after, topping at 1750 guineas for the eight year old Black mare 'White Ladies Showtime'. Yearling colts generally not the best quality but plenty of bidders for these as well. Most of the other breeds of pony selling well with some good prices achieved but the coloured ponies probably the hardest to move.
