

BEAULIEU ROAD PONY SALE

Thursday 6th November 2025

93 Forward Auctioneer Iain Soutar

Trade: A useful number forward for the last sale of the year in the yard and once again the weather was sympathetic. Trade much harder work than 4 weeks previously when things were much better than anticipated, perhaps the scarcity and cost of hay is now coming into play. Interestingly whilst the Registered Colt foals averaged £100 more in October than the same sale in 2024, this time, although only £20 back on the month, they were £100 a head less than the November sale last year. Prices for the foals were again boosted by the Pre-Sale Show organised by the Livestock Society and kindly and expertly judged by Gill Wright, for which the results and prices are shown below, with long serving handler John Pooley taking the Championship with his Black Colt 'Pigbush Ossie' which took the bidders eye and sold for top foal price of £1080. Another Colt placed first in his class was 'Sway Pantalaimon' a smart Bay from G & L Blomfield, and this also nearly reached the magical £1000 mark at £980. One that did reach £1000 was Didi Van Hennik's Buckskin Colt 'Buckland William' its colour and potential to make 14HH making it a very desirable pony. Simon and Shirley Young took top honours with the older registered ponies with the three year old Filly 'Farriers Favour' at £2820 and the fourteen year old Stallion 'Farriers Brief Encounter' at £2000. Pick of the Part Breds were Kayleigh McGoldrick's Quarter Horse x Red Dun Roan Colt which made £720, potential and colour are nearly always the key ingredients, and Charlotte Cutts' eight year old Gelding 'Lindwude Heathclift' at £1900.

Not as many customers for the ponies in Section 4 as sometimes but still a very useful addition to the sale with the stand out price £3200 for a 15.1HH Red and White 5 year old Hunter type Mare.

Please note the last sale at Beaulieu Road this year is Online running from Friday 28th November to Wednesday 3rd December.
