

BEAULIEU ROAD PONY SALE 20th October 2011

218 Forward

A similar number forward to the corresponding sale last year and with the help of the foal show and a nice day, a bit more life in the trade for some of the better quality foals. However, despite this, very little or no trade for the ordinary colt foals with about 50 not reaching the minimum bid and overall exactly one third of the entry remaining unsold.

Many congratulations to young Nicola Denness for winning the foal show and the lively new cup presented by Tony and Eileen Gerrelli in memory of their son Mark, with her strawberry roan colt foal which sold for 265 gns. However, top price foal was a stud bred dark dun filly foal from Erica Lovell which created a lot of interest to reach 420 gns. Top price of the day at 560 gns was a 7 year old thoroughbred riding mare from Miss S Roberts.

Our thanks go to Malcolm Fry for judging the show and to the New Forest Publicity Group for organising it.
